NEW Plastic Series - Quick Snap Standoffs

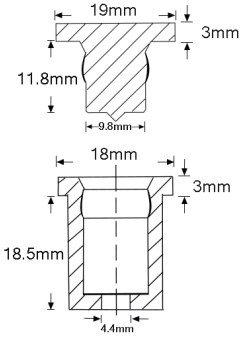

1. Item NO. V-600
2. Adhesive or screw mouted option.

Quick Snap standoff is used for the installation of letters in relief.The new product offers two installation methods. One is to directly adhere the letters using glue, and the other requires securing small lactor onto the letters with screws and then fitting them into spacer.

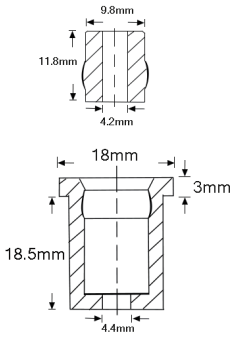

V-600A

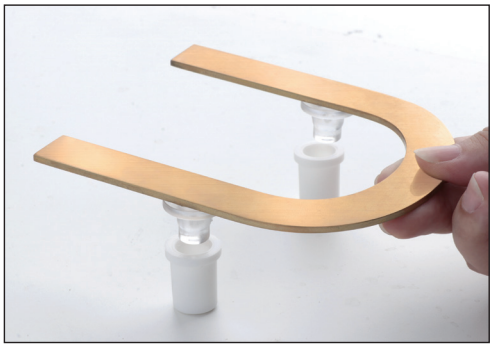

V-600B

NO.	Picture	Item NO.	Material	Diameter	Spacer	Cap Thickness	Bottom Hole	
1		V-600A	PC/PE	19mm	21.5mm	3mm	4.4mm	
2		V-600B	PC/PE	18mm	21.5mm	/	4.4mm	

Method One

Method Two
